   A. Marilynn attended the LMx Directors meeting where it was decided to that Hillside PL does not meet the requirements of
the MURAL open borrowing agreement and will be removed from the consortium. Hillside, due to a flood in the building, no longer meets the definition of a library in good standing. Their residents have been using surrounding community libraries. A letter to the Hillside mayor was to be sent advising services would no longer be provided effective March 1.

   B. Township Committee Budget Meeting

   Kirstie, Dave and Marilynn attended this meeting on February 7. Dave and Marilynn left after the Committee reported that a decision would not be made that day. However, Kirstie remained and the Committee did vote on the budget request, denying the CPL’s request for an additional $16,700. The vote was 2-3. Committee member Dan Mulligan left the meeting
during the discussion. The Committee suggested that the CPL take the requested amount out of reserves.
Kirstie asked for a show of support from the Committee to ease residents’ concerns about the new library being a viable and sustainable project. In private conversation, she was told the Committee does support the library and that a sign for the future building can be erected on site.

Since the additional budget request was denied, Dave suggested the Board move ahead with planned cuts as follows:
1. Reduce Saturday operating hours by one hour
2. Increase new book fines
3. Other small fee implementation/increases at the discretion of the Director, such as interlibrary loan fines if a book is not picked up.
4. Close library on holidays when the school is closed: Rosh Hashanah (9/14); Saturday before Easter April 4; July 3. Marilynn felt the impact on staff would be minimal for these dates.

Jane 2nd: Dave
All were in favor. Approved.
